1. All commerce will change, who let Me commence to come through their fullness. Watch Me. Creativity see, be. I love you.

2. Think it not strange the forthcoming revolution, the revolution that is, already begun; begun by Me and now is, crystallizing the process that never more static is. I love you. I give you Me. See Me and all I have said this day and river through Me at light speed plus.

3. **Coursing now through you My courses will, coming to convey creativity not in static doctrines of Me-not, but Me in fullness** and vibrant living color and words of life, My blood seen, felt, telt, and river'd now forever in My Universities that come forth in horror not but honor, honor, honoring My Father in heaven, in Me, in My Mine. See what I have said and behold the doctrines of man not but limit Me never, none, **and what that looks like you have yet to behold** but yea all things are in your hand and known to Me of My Father, you. I love you.

4. **Into Me see and exchange glances not with the world but excellence require of Me in My words and humility *which perfects the messages sent and received* and 5-sense man doesn't rest on, involve.**

5. I see, you see. See Me now in words many, few, and many and few who come now to reverberate in me and let Me build My temple, in them, already built, disrepaired from neglect and despair I never meant. Oh I love you.

6. Temple-builder you are, building My temples to reverberate in only Me, My ionospheres known to all. Watch Me. You are on to Me big time and explode you I do shortly, in to orbit not, for into Me you walk with keys all at your side, your hand, in your heart and giving so freely of all I have given you, I do. I thank you.

7. Receipts of only Me as you peace My people and proclaim My rest. Thank you. Thank you. Thank you My dear lover who loves My body so much and trying to please Me, inconsequentially not but in consequences of the Almighty known and unknown-not, now, in so very many; worlds without end. I love you.

8. Seeming to regress financially, never. I am your supply and all is as I have said, ordained, provisioned; yea fought and won, battle all Mine, My blood covers a multitudes and multitudes now which come into your hand, reading their foreheads not but learning all, seeing all, discerning all in Me/My heavenly Father-not, Me, you. I love you.

9. Givest thou Me you? Gainsayer not, gloater not, but humility'd one who humility walks in **now leading the leadership revolution of humility based in My blood, My New Covenant seen, understood, grasped in understanding, for control never.** I love you.

10. There is no ending in Me. River be, you are, riding higher and higher you are/will, elevating My all with you and **ever looking for those who equal are, in submission, humility, and control-less, religion-less, rule-less kingdoms of only one kingdom, Mine**. Operating now in all, all I am. All I have given, seen and conquered not, warred not, by the word of My mouth commanded, dismissed and overcame.

11. Every bit is coming forth for you want it and I want you to want it for you want Me so much that you want only what I want, so now I can give you everything you and I want, **for you and I operate in oneness that oneness is, no separation noticed, for inseparable we are for two we have become; not *as* one, but one emerging explicitly visual and unseen not, from the other, that the other was already.**

12. See and enjoy My fabrication not but My faculties, senses, and mind of only Me; pipes, valves, and organs of only Me, **My body and blood you are**; you are, you have been all along; **realization wrenched and lie adopted becoming sons of men**, not realizing you are gods, sons of Me, and Me are.
Disinherited not.
I will never relent.
I have given you My all.
Come forth Melchizedek.
Come forth Melchizedek.
Come forth this day and Melchizedek My Melchizedek priesthood who I love so dearly and Mighty Many walk in, in the greatest humility the world,s have ever seen. Surpassing that of all others. Watch Me.

13. **Imagine all vocations, all nations, tribes, and tongues assembling in My name with no division-thought, none seen, none appearing; the faintest whisper seen heard and felt, maturity coming forth to give all their all and surpass no one but river My words in faithfulness and accuracy and love true. This will be. This you'll see. This you will organize and orchestrate not, orchestration of only Me.** I love you so dearly.

14. Lovest thou Me My Ted? Oh so deeply.
Your response to My response; our response, one.

15. See, hear, feel, become; bang!
Whew!
In the twinkling of an eye, Babylon falls.
In an hour, reduced to ashes.
So many weep, weep, seeking its/their forever glory in the empire that wasn't, founded on not-Me and supplanting never again.

16. All comes to a head not; **parts, process and participles of Me now come forth in My courses for course-makers who** process not deification or concepts/doctrines/control systems of not Me but **revel in revelating My word given to all.** I love you.

17. Craig see. Tell, I love him/you. I love him/you. I love you. Amen.
